WELCOME FRIENDS AND FAMILIES

YMCA Camp Mataucha is a great place for children to develop friendships, experience great adventures and make memories that last a lifetime. This summer will be one of our best yet as we prepare to have fun and excitement during our 16th year of providing quality camping experiences for campers and their families. Our mission, *To put Christian principals into practice through programs that develop a healthy spirit, mind and body for all*, is ever present and is the focus of our entire staff.

Safety

One aspect of YMCA Camp Mataucha that stays constant from year to year is our staff's focus on camper safety. Our staff are trained in First Aid and CPR, including our Specialty Area Directors, our Unit Directors and our bus monitors. During the summer season we have a local physician as a consultant.

Licensing

YMCA Camp Mataucha is licensed by the State of Connecticut and is an accredited day camp through the American Camp Association (ACA). The ACA collaborates with experts from the American Academy of Pediatrics, the American Red Cross and other youth service agencies to ensure that current practices at our camps reflect the most up-to-date, researched based standards in day camping operations. Camps and the ACA form a partnership that promotes summers of growth and fun in an environment committed to safety. We are proud to say that we meet or exceed all of their standards.

Family

Campers and their families are invited to come to YMCA Camp Mataucha's Family Sleepovers for an exciting afternoon of activities followed by an exhilarating night under the stars! It will be your decision if your child is old enough and ready for an overnight experience. There will be no additional fee for this overnight program! Overnights for the 2012 camp season will be on Saturday, July 14th and Saturday, August 11th. A detailed schedule of the Family Overnights will be available during the sessions that the overnights take place.

Financial Assistance

Our goal is to provide quality programs for all. The YMCA extends financial assistance based upon demonstrated and documented need and availability of funds. Financial Assistance application will be available beginning April 1st. Applicants are encouraged to apply for a United Way Campership and to the State of Connecticut Care 4 Kids childcare subsidy program.
