YMCA Camp Counselor Job Expectations

Making a difference in the lives of children can make a big difference in your life too.

If you've got what it takes to lead a group of children through games, crafts, and special activities, then we have the job for you. Our counselors love an active outdoor schedule, working with different age groups and other counselors. They take pride in helping children grow and develop spiritually, mentally and physically. You can bring your own special talent, whether it's swimming, riding, archery, sports or dancing. You'll need a desire to teach others and the energy and attention to detail necessary to make a busy camp schedule work. You'll work with some of the most dedicated and creative people on the planet; and the friendships you'll make with the other counselors and camp leaders will last a lifetime.

Here's what we expect from our top counselors:

- **Our best counselors make a difference in the lives of their campers.** Creating a unique relationship with each camper and get to know each new group of campers quickly, ensuring each camper's growth, safety and development during camp is priority number 1!
- **Participate 100%, 100% of the time.** There isn't a lot of down time at camp. As a counselor you are always on stage, helping campers, being an example, teaching and playing games. It's up to you to make sure everyone has a good time. You'll make the games interesting by joining in and knowing that the sidelines are no place for a great counselor. This also means swimming, because we swim everyday!
- **Making it happen.** Our campers have a full schedule of activities throughout the long summer days, and you're on top of it, planning to make sure the campers are where they need to be and enjoying themselves. When things change such as the weather or the mood of your campers, you're always one step ahead with creative ideas for alternative activities.
- **The team is tops.** You have the opportunity to work with great children, great counselors and a staff that is dedicated to the camp's success. You will be an integral part of one of the best day camp staff teams in the country and you can take pride in the fact that you are a YMCA Camp Mataucha Staff Member.
- **It's your camp.** You feel like you own it- every activity and every camper. The reason campers will love and remember you is because you modeled the camp's values of caring, honesty, respect and responsibility. You were the one each camper looked up to during camp.
- **Calm, cool and collected.** Even when you're not by the pond during hot summer days, through hectic schedules, and with all those campers and responsibilities, you keep your cool and pay close attention to how your campers are managing the stress of different activities, weather meeting new people and the unique environmental conditions of camp. You know the one thing that matters most is the campers' safety spiritually, mentally and physically.

If you're up to the challenge, want to lead instead of follow, and really want to make a difference in the lives of dozens of children this year, we'll help you succeed. It's exhilarating, exhausting, and challenging, but the rewards are out of this world. Campers and staff members will remember you forever! Years later the lessons you taught them at camp will stick with them as they send their own children to camp.

Abuse Prevention Statement: To protect the children in our care as well as the staff members and volunteers who serve them, we follow strict policies on abuse prevention. We do everything possible to screen out potential offenders and to prevent abuse from occurring. This protects the children from potential wrongdoers and minimizes the risk of false allegations against staff members and volunteers. We fully cooperate with authorities in thoroughly investigating any and all allegations.
