YMCA CAMP MATAUCHA

YMCA Camp Mataucha offers both Traditional Camp and Specialty Camp Programming. Our Traditional Camps provide your camper with the classic day camp experience: large group games, archery, climbing tower, swimming, and much more! Specialty Camps give campers an opportunity to spend a majority of their day on skill-based activities and still allows them to participate in some traditional camp activities. All of our programming is progression based- as campers get older, the more activities there are for them to try!
